

## Certification Statement From Nature's Comfort, LLC

The NC-40 Indoor Pellet Stove is confirmed and certified by Nature's Comfort, LLC of Shipshewana, IN to be an indoor heater that uses the burning of biomass fuel to heat a dwelling unit or to heat water for use in such a dwelling unit, and has a thermal efficiency rating of at least 75 percent as measured using a lower heating value. Therefore the NC-40 Indoor Pellet Stove complies with the standards required by the Energy Improvement and Extension Act (EIEA) of 2008 to be identified as "qualified energy property" and is thus eligible for tax credits under the American Recovery and Reinvestment Act of 2009.

"Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete."

James Van Harn II, Business Administrator
